

Set B, English Lesson 7: Main activity: Level ★

Big Question: Can you use capital letters in the correct places?

Write 2 sentences that use capital letters for all three reasons above. Draw a picture to go with your sentence.

Make sure you include a joining word in your sentence too. Once you've finished, circle the capital letters and explain why they are capital letters.

Here is an example:

My sister, Becky, watched a film with me but I did not like it.
